OCTOBER 2006

Our General Meeting for September was a success with Patti Patton Bader explaining what her program "SOLDIERS ANGELS" is accomplishing. (www.soldiersangels.org) The "Pasadena Star News", our local newspaper, wrote a front-page article. Several days later a very favorable editorial was published. Our chapter donated \$1,000.

We were able to contact the Community Based Out patient Clinic (CBOC) administrator who informed us that we may use any V.A hospital of our choice. This means a Veteran must inform their primary care physician who will "CONSULT" with Long Beach Veterans Hospital if that is the Veterans choice. Otherwise the default location for specialized medical care is West L.A.

Veterans Day will be celebrated on November 11th at the Levitt Pavilion band shell in Pasadena Memorial Park at 10:30am, followed by a WWII aircraft flyby at 11:11am. This will be followed by lunch in the Senior Center. Let me know a week in advance, if you plan to have lunch. \$5 each.

UCLA is celebrating the 10th Annual "Veterans and Armed Forces Appreciation Day" on November 11th at the Rose Bowl. You can have one free general admission ticket at the game day, by presenting ID, while supplies last. Otherwise call (310)UCLA-WIN.

Also, Knott's Berry Farm presents their annual tribute to our military, by offering FREE admission to Veterans and one guest with proper ID (DD214, V.A. ID or Active Military Service ID).

HAPPY VETERANS DAY!!!!!!
