**JANUARY 2008**

**Year 2007 was a busy year, all of the Congress persons and Senators in our area have been contacted and have become aware of the need for assured funding for the V. A.**

**The West L.A. property has been secured by congress for Veterans. But, the residents probably will not give up. So, we must be vigilant.**

**We have been supporting Jose Ramos on his quest to have an official “Vietnam Veterans Day” proclaimed. He should be in D.C. as I am writing you. Good luck Jose.**

**Probably the best news is that we now have an official “Veterans Service Officer”. James Maddox, our president, has become officially designated by the V.A. He has an office in the West L.A. federal building, and will also be traveling around the our area. He will be using our office as well. So, if you are having claim problems, call our office and set up an appointment with James. He is willing and able to help.**

**Thank-you, to those who responded to our questionnaire. It will help us with planning for the coming year.**
