MAY 2008

Memorial Day will be here soon. We are in contact with the City of Pasadena and the Pasadena Senior Center, and are planning an event May 26, 2008 at 11:00am by the band shell in Pasadena Memorial Park. This will feature the unveiling of the 5 Banners, of those KIA in Afghanistan and Iraq, from Pasadena, to be placed on light poles next to Memorial Park.

Jose Ramos had congress proclaim “Vietnam Veterans Day” on March 30th. A large Welcome Home Day was held at California High School. Congratulations Jose for a job well done.

James Maddox has retained permanent employment, and will be available for VSO services by appointment only. Please, call the office and set an appointment with James, if you need VSO services.

Pattie Patton-Bader has been named Pasadena’s favorite mom. Pattie founded “Soldiers Angeles” which has provided our chapter with funding for computers at “New Directions” and “Upward Bound” graduates. Thank-you Pattie.
